Sale Comments:

Located in a quiet cul de sac the Pencarrow Deluxe design is complimented beautifully by many roses and the lush gardens that surround the home. This home offers a sweet cottage style with a light and bright feel. You'll notice a sense of space as you walk through the extra wide hallway and generous size bedrooms. This 2 bedroom home is perfect for downsizing but still offers the chance for family and friends to stay or even to set up the second bedroom as a study or craft room.

Come and stay a few nights! We're sure you'll simply fall in love with the Riverside Lifestyle!
